

**IPPONSHOOTING COUPON CODE FOR PROFESSIONAL SOFTWARE**

JANUARY 25, 2024

Dear National Shooting Federations,

I hope everyone is eagerly preparing for the upcoming **10m Győr European Championship!** Excitement is building on our end too, and we'd like to add a little extra boost to your preparations.

As we approach the competition date, we are delighted to inform you about a fantastic opportunity. The IPPONshooting team is pleased to support shooters with our IPPONshooting Professional software, and we are now providing you with the chance to use this excellent software free of charge for 30 days leading up to the competition.

Simply follow these steps:

1. Visit our website at [www.ipponshooting.com](http://www.ipponshooting.com).
2. Add the **IPPONshooting Professional**<sup>1</sup> software to your cart (original price 450 euros).
3. At checkout, **use the coupon code**  
●●●●●●●● ← *Request the coupon code from your national association or IPPONshooting!*  
and the product **price will be reduced to 0 euros!**

Please ensure that you promptly share the coupon code with your athletes to enable them to take full advantage of the preparation benefits.

The IPPONshooting team is ready to assist with downloads, installations, and software usage. For any questions or assistance requests, feel free to reach out to us.

Wishing you success in making the most of this opportunity for effective preparation. We eagerly look forward to seeing how you leverage the program's advantages in the championship!

Best wishes,

Tibor Csókási
